INTRODUCTION

This website gathers and uses Personal Data from its Users in order to provide products and services and to enable certain functions on this website.

We also collect information to better understand how visitors use this website and to present timely, relevant information to them.

WHAT DATA WE GATHER

We may collect the following information:

- Name, job title and company name
- Contact information including email address and telephone number
- Demographic information, such as postcode, preferences and interests
- Website usage data
- Other information relevant to client enquiries
- Other information pertaining to special offers and surveys

HOW WE USE THIS DATA

Collecting this data helps us understand what you are looking from the company, enabling us to deliver improved products and services.

Specifically, we may use data:

- To improve the products and services we provide.
- To contact you in response to a specific enquiry.

TYPES OF DATA COLLECTED

Among the types of Personal Data that this website collects, by itself or through third parties, there are: Cookies, Usage Data, Name, Company Name and Email Address.

Complete details on each type of Personal Data collected are provided in the dedicated sections of this privacy policy or by specific explanation texts displayed prior to the Data collection.

The Personal Data may be freely provided by the User, or, in case of Usage Data, collected automatically when using this website.

Users are free not to communicate Data without any consequences on the availability or the functioning of the service.

Users who are uncertain about which Personal Data is mandatory are welcome to contact the Owner.

Any use of Cookies – or of other tracking tools – by this website or by the owners of third-party services used by this website serves the purpose of providing the service required by the User, in addition to any other purposes described in the present document and in the Cookie Policy, if available.

Users are responsible for any third-party Personal Data obtained, published or shared through this website and confirm that they have the third party's consent to provide the Data to the Owner.

MODE AND PLACE OF PROCESSING THE DATA

METHODS OF PROCESSING

The Data Controller processes the Data of Users in a proper manner and shall take appropriate security measures to prevent unauthorised access, disclosure, modification, or unauthorised destruction of the Data.

The Data processing is carried out using computers and/or IT enabled tools, following organisational procedures and modes strictly related to the purposes indicated. In addition to the Data Controller, in some cases, the Data may be accessible to certain types of persons in charge, involved with the operation of the site (administration, sales, marketing, legal, system administration) or external parties (such as third-party technical service providers, mail carriers, hosting providers, IT companies, communications agencies) appointed, if necessary, as Data Processors by the Owner. The updated list of these parties may be requested from the Data Controller at any time.

PLACE

The Data is processed at the Data Controller's operating offices and in any other places where the parties involved with the processing are located. For further information, please contact the Data Controller.

RETENTION TIME

The Data is kept for the time necessary to provide the service requested by the User, or stated by the purposes outlined in this document, and the User can always request that the Data Controller suspend or remove the data.

THE USE OF THE COLLECTED DATA

The Data concerning the User is collected to allow the Owner to provide its services, as well as for the following purposes: Analytics, Contacting the User, Displaying content from external platforms, Interaction with data collection platforms and other third parties, Interaction with external social networks and platforms, Managing contacts and sending messages, SPAM protection and Platform services and hosting.
